Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Friday 30 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some heavy showers over parts of England on Saturday.

This Evening and Tonight:
Showers and thunderstorms over parts of eastern England gradually fade later this evening or overnight. Otherwise, largely dry with clear spells except a few showers in the northeast and southwest.

Saturday:
Sunny spells, best of the sunshine probably in the west. Also some showers, mainly over parts of eastern, southern and central England where some heavy thundery showers during the afternoon.

Outlook for Sunday to Tuesday:
Scattered showers for England and Wales Sunday, heavy with a risk of thunder in the south. Many northern areas largely fine. Further scattered showers Monday and Tuesday. Rather cool.
